Said it's been a long time  
Since I seen my baby  
And I, I don't know why  
Baby come on home  
Baby come on home

Ooh yes, I'm in da club  
(Yeah, yeah)  
(Yeah, yeah)

I throw my hands up in da club  
(Yeah, yeah, yeah)  
Ooh ooh, my girl

Yeah, I care  
But it's time for me to be free  
But I know he's so  
Mad at me

Yeah, I swear  
I'll be home, laid out ohh  
Even though I've said these things  
A million times before

Ooh, I promise I'll be home  
After this next song, yeah  
Ooh I know you watchin' TV  
And there's nothin' on  
But I need some alone time

And it wouldn't be a problem  
If she gave me just a little more love  
But my girlfriend lives in da club

Ooh yes, I'm in da club  
Da club, da club  
My girlfriend lives in da club

I put my hands up in da club  
Da club, da club  
Ooh my girlfriend lives in da club

This ain't bout u  
I'm gon' do, what I do  
Tonite, ty myself, no one else  
I don't need nobody, to party

I'm alright, I'm gon' lose control  
When my hips roll, from side to side  
I'm just being me  
Like I said a thousand times before

Ooh, I promise I'll be home  
After this next song, yeah

Ooh, I know u watchin' TV  
And there's nothin' on  
But I need some alone time

And it wouldn't be a problem  
If she gave me just a little more love  
But my girlfriend lives in da club

Ooh yes, I'm in da club  
Da club, da club  
My girlfriend lives in da club

I put my hands up in da club  
Da club, da club  
Ooh my girlfriend lives in da club

Homie got problem wit his homegirl  
Betta leave 'em 'lone girl, gone girl  
Whatcha gon' do  
When he outside of da club waitin' on u in his PJ's?  
But u up in da club on a weekday  
I hope u don't care what he say  
Cuz he at the crib and u at the club  
Takin' pictures wit da DJ

I know u mad, and I  
Know u alone  
But I don't know whatcha gon' do  
When u see me  
So I'mma just not come home, and I'm  
Just doin' me, and it  
Shouldn't be a problem, but if  
All of dat is  
I got two words dat can solve it like

I'm gone, I'm gone, I'm gone

And it wouldn't be a problem

If I gave him just a little more love  
But his girlfriend lives in da club

Ooh yes, I'm in da club  
Da club, da club  
My girlfriend lives in da club

I put my hands up in da club  
Da club, da club  
Ooh my girlfriend lives in da club
