Verse 1

I don't I don't I don't have the strength to stay away
When my body hears the 808 I can't be saved
I wanna I wanna I wanna dance all night long
When my body hears my favourite song baby it's too
late

Don't you want to dance on the floor lets get lost
tonight
It's like paradise
Lets go all the way give me more lets get lost tonight
It's like paradise

Chorus

Ooh we're going out tonight it's gonna feel so right
When the sun goes down
Ooh we're born to live this life turn the music up really
high
With the windows down
I can't help the way I feel 'cause tonight it feels so real
Take a walk on the wild side... Give Into the Night
I can't help the way I feel 'cause tonight it feels so real
With your love I feel alive... Give Into the Night

Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Give Into the Night

Verse 2

I like I like I like that baby shout it out
When my body hears my favourite sound
The floors where I'll stay

Don't you want to dance on the floor lets get lost
tonight
It's like paradise
Lets go all the way give me more lets get lost tonight
It's like paradise

Chorus

Bridge

Come on baby lets give in the nights got me
Don't you wanna feel like this like this
Come on baby lets give in the nights got me
Don't you wanna feel like this like this

Chorus
