"Over 'N' Over"

Visit "[Over 'N' Over](#)" on MotoLyrics.com

Day by day
I'm fallin' apart
These are the days of a broken heart
Heavenly
You came into my life so tender
Suddenly
I'm loosin' you

Always livin' it side by side
There's no reason to say goodbye
I can't live...
... I can't live without you
Baby...
... Promise

OVER AND OVER
We fall in love
Again and again
Lovin' you more and more

OVER AND OVER
We fall in love
Again and again
We fall in love
... Fall in love

Destiny
I'm calling your name
I don't want
Nobody else
