If there's one rule to this game  
Everybody's gonna name  
It's be cool  
If you're worried or uncertain  
If your feelings are hurtin'  
You're a fool if you can't keep cool  
Charm 'em  
Don't alarm 'em  
Keep things light  
Keep your worries out of sight  
And play it cool  
Play it cool  
Fifty-fifty  
Fire and ice

If your heart is on the floor  
Cause you've just seen your lover  
Comin' through the door with a new fool  
Be cool  
Don't you sweat it  
Stop right here right now tryin' to forget it  
Your nobody's fool  
Don't get riled  
Smile-keep it light  
Be your own best friend tonight  
And play it cool  
Play it cool  
Fifty-fifty  
Fire and ice

Don't get jealous  
Don't get over-zealous  
Be cool  
Don't whine  
Kiss off that flaky valentine  
You're nobody's fool

So if there's one rule to this game  
Everybody's gonna name  
It's be cool  
If you're worried or uncertain

If your feelings are hurtin'  
You're a fool if you can't keep cool  
Charm 'em  
Don't alarm 'em  
Keep things light  
Keep your worries out of sight  
And play it cool  
Play it cool  
Fifty-fifty  
Fire and ice

Play it cool  
Fifty-fifty  
Fire and ice

Play it cool, play it cool boy  
Fifty-fifty  
Fire and ice
