Day in, day out  
That same old voodoo follows me about  
That same old tumble in my heart, whenever I think of  
you  
And honey I think of you day in and day out

Day out, day in  
I needn't tell you how my days begin  
When I awake I awake with a tingle, one possibility in  
view  
Possibility of maybe seeing you

Come rain, come shine  
I meet you and to me the day is fine  
And then I kiss your lips, and the tumble becomes  
The oceans roar, a thousand drums

Can't you see it's love, can there be any doubt  
When there it is, day in day out

Day in, day out  
That same old voodoo follows me about  
That same old tumble in my heart, whenever I think of  
you  
And honey I think of you day in and day out

Day out, day in  
I needn't tell you how my days begin  
When I awake I awake with a tingle, one possibility in  
view  
Possibility of maybe seeing you

Come rain, come shine  
I meet you and to me the day is fine  
And then I kiss your lips, and the tumble becomes  
The oceans roar, a thousand drums

Can't you see it's love, can there be any doubt  
When there it is, day in day out

Come rain, come shine

I meet you and to me the day is fine  
And then I kiss your lips, and the tumble becomes  
The oceans roar, a thousand drums

Can't you see it's love, can there be any doubt  
When there it is, day in day out

Day in day out  
Day in day out  
Day in day out  
Day in day out
