Take me away on a holiday sugar
We can be free, alone by the river
A glass of champagne in a candy rain
Dancing on a rainbow
And if you've got a baby
Just don't tell her that you're hanging with me
I'll be your baby from the movie screen
And if she calls you baby
Someone tell her she should worry
I've got a plan and yes I'm bound to win
Feel like Marilyn Monroe and
Darlin' I came here for you
And no, you're not allowed to go
Until I fuck with you
Feel like Marilyn Monroe and
Darlin' I came here for you
And no, you're not allowed to go
Until I fuck with you
Take me on a trip around the moon
I wanna fuck with you
Na na na na na na na na
Take what you want, baby be my big spender
Unleash a tightest night is nothing like tender
Gamble and win, play the cards rough
They control my sugar rush
And if you've got a baby
Just don't tell her that you're hanging with me
I'll be your baby from the movie screen
And if she calls you baby
Someone tell her she should worry
I've got a plan and yes I'm bound to win
Feel like Marilyn monroe and
Darlin' I came here for you
And no, you're not allowed to go
Until I fuck with you
Feel like Marilyn Monroe and
Darlin' I came here for you
And no, you're not allowed to go
Until I fuck with you
Take me on a trip around the moon
I wanna fuck with you
Yes

Ah,
Let's make arrangements
I'm your fix when you're in madness
Call me crazy, awesome, baby
I'ma take your love to the maximum steady
Such a wild boy, no need explaining
Love's worth money you ain't got to pay me
Look me in the eye cos you want me baby
Make you love me so much that you fucking hate me
I'ma fuck you then fuck your friend
And fuck her cos I've fucked her twin
Livin' life so pure with an etch of sin
Clear, no need to fear
Moving so fast that it's hard to steer
I hope we don't crash when we land in here
Being your best lover was the plan for years
Take it back to the town we'll be standing in here
I wanna fuck with you
I wanna fuck with you
I want I want I want
I wanna fuck with you-oh-hooo
