I've been talking to myself again
Not communicating anything
It's a never ending fallacy
That you have always been so good to me
That you have always been so good to me

When I'm trying to explain it all
You are making me uncomfortable
Take a little piece of honesty
And be the man you always promised me
And be the man you always promised me

I said that I would never leave
But now I cannot breathe
I said that I would let you know
But I'm not letting go

I've tried to make you understand
Now, I've done all I can
It's time to make my final move
'Cos I'm not happy

I've been talking to myself again
Making sure that I am listening
I'm developing an attitude
It pushes me towards my solitude
It pushes me towards my solitude

I said that I would never leave
But now I cannot breathe
I said that I would let you know
But I'm not letting go

I've tried to make you understand
Now, I've done all I can
It's time to make my final move
'Cos I'm not happy

I never thought it could happen
I never thought it could be
I never wanted to be here
I never wanted to see

I never wanted to see

I said that I would never leave
But now I cannot breathe
I said that I would let you know
But I'm not letting go

I've tried to make you understand
Now, I've done all I can
It's time to make my final move
'Cos I'm not happy
