Here's to you and the things you do

You put the spark in sparkle
And the sun in the shine
You put the one in wonder
When your hand isn't mine
The storm clouds go
The flowers, they bloom
My heart beats faster when you enter the room

Ah-ah, ah-ah
Here's to you and the things you do

You put the O in lover
And the M in yum
A certain "je ne sais quoi"
Now when can I have some
I'm sending a sign
Signalling smoke
Coz my heart is on fire
I need you to cope

Ah-ah, ah-ah
Here's to you and the things you do
Ah-ah, ah-ah
I said a-here's to you and the things that you do

Ooh, ooh-ooh baby
You're all I can see
Ooh, ooh-ooh baby
Come, come to me

You put the R in corny
And the stars in the sky
Why do bees make honey?
Why do birds take flight?
It's all I can do
To get through to you
With moves I am making
Do you have a clue?

Ah-ah, ah-ah
Here's to you and the things you do
Ah-ah, ah-ah
I said a-here's to you and the things that you do

Ooh, ooh-ooh baby
You're all I can see
Ooh, ooh-ooh baby
Come, come to me

(Whispered)
Here's to you and the things you do

Here's to you and the things you do
Here's to you and the things you do
Here's to you and the things you do

Here's to you and the (Pause)

Things you do
Things you do
The things you do

Here's to you and the things that you do
(You do, you do, you do, you do, you do, you do)
Here's to you and the things that you do
(You do, you do, you do, you do, you do, you do)

I said a-here's to you and the things that you do
