If you go away  
On this summer day  
Then you might as well  
Take the sun away

All the birds that flew  
In the summer sky  
When our love was new  
And our hearts were high

When the day was young  
And the night was long  
And the moon stood still  
For the night bird song

If you go away  
If you go away  
If you go away

But if you stay  
I'll make you a day  
Like no day has been  
Or will be again

We'll sail on the sun  
We'll ride on the rain  
We'll talk to the trees  
And worship the wind

Then if you go  
I'll understand  
Leave me just enough love  
To hold in my hand

If you go away  
If you go away  
If you go away

If you go away  
As I know you will  
You must tell the

World to stop turning

Til you return again  
If you ever do  
For what good is love  
Without loving you

Can I tell you now  
As you turn to go  
I'll be dying slowly  
Til your next hello

If you go away  
If you go away  
If you go away  
If you go away

But if you stay  
I'll make you a night  
Like no night has been  
Or will be again

I'll ride on you smile  
I'll sail on your touch  
I'll talk to your eyes  
That I love so much

But if you go  
I'll understand  
Leave me just enough love  
To hold in my hand

If you go away  
If you go away  
If you go away

If you go away  
As I know you must  
There'll be nothing left  
In the world to trust

Just an empty room  
Full of empty space  
Like the empty look  
I see on your face

Oh, I'd have been the  
Shadow of your shadow  
If I thought it might  
Have kept me by your side

If you go away  
If you go away  
If you go away

Please, don't go away
