Ya da da da da deeee

Da da da daaaa

Da da da da da deeee

Da da da daaaa

Ya da da da da deeee

Da da da daaaa

Ya da da da da deeee

Da da da

We're gonna play a game

Just you and me

You never should be won

So easily

Your eyes are on the prize

I'm worth the wait

Don't need to know the end

?cause darling

Magic stays where myth remains

I'm under your spell

Don't release me

Never give the game away

Try to keep me entertained baby

Don't make it too easy  
Leave something  
For me and my imagination  
We're a possibility  
When you make it hard for me baby  
I'm not in a hurry  
Leave something  
For me and my imagination  
Ya da da da da deeee  
Da da da daaaa  
Ya da da da da deeee  
Da da da  
I don't need to know  
Your every trick  
So keep me guessing just  
A little bit  
?cause hidden in your eyes  
There's mystery  
I want to get inside  
To where the  
Magic stays and myth remains  
I'm under your spell  
Don't release me  
Never give the game away  
Try to keep me entertained baby  
Don't make it too easy

Leave something

For me and my imagination

We're a possibility

When you make it hard for me baby

I'm not in a hurry

Leave something

For me and my imagination

Da da da da da

Da da da da da

Da da da da da

Da da da da da

Da da da da da

Da da da da da daaaa

Never give the game away

Try to keep me entertained baby

Don't make it too easy

Leave something...

We're a possibility

When you make it hard for me baby

I'm not in a hurry

Leave something

For me and my imagination

Never give the game away

Try to keep me entertained

Don't make it too easy babe

For me and my imagination

We're a possibility

You make it hard for me

I'm not in a hurry babe

For me and my imagination
