I know your feeling restless  
Like life's not on your side  
It's weighing heavy on your mind

But when we stand united  
Our hearts they beat in time  
And I know we'll make it all alright

Let's bring it back to you and me  
There's no one else around  
Now don't get lost in gravity

'Cause I want you to hold me now  
Nothing else matters  
It's just the two of us  
And if it all falls down  
Nothing else matters  
I know we're strong enough

I'm not giving up  
I'm not giving up on us

I said I'm not giving up  
I'm not giving up on love

We're of the same existence  
No lock without a key  
We can't deny it's meant to be

Cause I feel it inside  
Taking over tonight  
I'll be there when the storm is breaking

In this moment I'm yours  
You can always be sure  
That together we're gonna make it

So baby won't you hold me now  
Nothing else matters  
It's just the two of us  
And if it all falls down  
Nothing else matters

I know we're strong enough
