There's a party in my head  
Won't let me go to bed  
Have to stay up instead  
Go to the party in my head

We're divorced before we're wed  
I'm reborn before I'm dead  
Straight from the mouth of Mr. Ed  
Invited to the party in my head

Stop that banging on the wall  
I won't turn down the noise at all  
I'm footloose and fancy free  
My head the place to be

There's a party in my head  
(In my head)  
I can't remember what you said  
(You said)  
The sad truth's, I'm poorly bred  
Raised at the party in my head

There's an orgy like Club Med  
(Club Med )  
Where everybody rocks my bed  
(My bed)  
Your baby wonders where you fled  
Came at the party in my head

Though you may call 999  
They will hang up every time  
It's too late they're here with me  
Off their heads and on the beat

There's no charge the entry's free  
I gave the doorman a kiss, you see  
And all the guests mix brilliantly  
'Cos I am them and they are me

I threw away my high street cred  
(High street cred)  
To have a life instead

(Life instead)  
Repeat the words that I just said  
To go to the party in your head

Head, head, head  
In my head, head, head  
In your head, head, head  
In my head, head

A party in your head, head, head  
(There's a party in my head)  
In my head, head, head

In your head, head, head  
(Won't let me go to bed)  
In my head, head

A party in my head, head, head  
(There's a party in my head)  
In your head, head, head

In my head, head, head  
(Have to stay up instead)  
In your head

There's a party in my head
