(Chorus)

Truth gonna set you free If you don't stand for
something you'll fall
for anything Truth gonna set you free It could set you
free if you
just believe

I know that you know it's time to walk in the light You
been blind for
too long Let truth give you back your sight Tell on the
Devil, let
him know that he's a lie Don't let him stop you Tell him
he gets
no free ride

(Chorus) (repeat)

Truth gonna set you free If you don't stand for
something you'll fall
for anything Truth gonna set you free It could set you
free if you
just believe

Don't ya wanna be, dont ya wanna be free Yeah, yeah,
yeah, yeah,
yeah Don't wanna ya wanna be free Yeah, yeah, yeah,
yeah,
yeah

(RAP)

Who, what, me? Truth gonna set, gonna set your soul
free You can
take it from Damita and you can take it from me God
sets you free,
yo, free indeed And I'm deep like a freak' cause I
believe In the
Way, the Truth to the Life he's givin' the soul's the
reflection of the
you're livin Freedom ringin, Truth is the path T. Mac is
back and
I'm free at LAST!

(Chorus)
