(Scat)

Your love is rain, my heart the flower
I need your love or I will die
My very life is in your power
Will I wither and fade or bloom to the sky

?gua de beber
?gua de beber camar?
?gua de beber
?gua de beber camar?

(Scat)

The rain can fall on distant deserts
Ooh, rain can fall upon the sea
The rain can fall upon the flower
If the rain is to fall let it fall on me

?gua de beber
?gua de beber camar?
?gua de beber
?gua de beber camar?

?gua de beber, yeah, yeah, yeah
?gua de beber camar?
?gua de beber, aqua de beber
?gua de beber camar?
