Lately I find myself out gazing at stars
Hearing guitars like someone in love
Sometimes the things I do astound me
Mostly whenever you're around me

Lately I seem to walk as though I have wings
Bump into things like someone in love
Each time I look at you I'm limp as a glove
And feeling like someone in love

Lately I find myself out gazing at stars
Hearing guitars like someone in love
Sometimes the things I do astound me
Mostly whenever you're around me

Oh, lately I seem to walk as though I have wings
Bump into things like someone in love
Each time I look at you I'm limp as a glove
And feeling like someone in love

Lately I find myself out gazing at stars
Hearing guitars like someone in love
Sometimes the things I do astound me
Mostly whenever you're around me

Lately I seem to walk as though I have wings
Bump into things like someone in love
Each time I look at you I'm limp as a glove
And feeling like someone
Feeling like someone
I'm feeling like someone in love
