Ochi chyornye, ochi zhguchie
Ochi strastnye i prekrasnye
Kak lyublyu ya vas, kak boyus' ya vas
Znat' uvidel vas ya ne v dobryi chas

Ochi chyornye, ochi plamenny
I manyat oni v strany dal'nye
Gde tsarit lyubov', gde tsarit pokoi
Gde stradan'ya nyet, gde vrazhdyy zapryet

Ochi chyornye, ochi zhguchie
Ochi strastnye i prekrasnye
Kak lyublyu ya vas, kak boyus' ya vas
Znat' uvidel vas ya ne v dobryi chas

Ne vstrechal by vas, ne stradal by tak
Ya by prozhil zhizn' ulybayuchis'
Vy zgubili menya ochi chyornye
Unesli na vek moyo schast'ye

Ochi chyornye, ochi zhguchie
Ochi strastnye i prekrasnye
Kak lyublyu ya vas, kak boyus' ya vas
Znat' uvidel vas ya ne v dobryi chas
