"Stay Gold"

I nearly handed my power over
I was caught in the net of repeated enclosure
Forgetting that I am my own master
Forgetting somehow in the power of thought
Shock protectors and graphic designers
And how many times does desire come to blind us ?
I'm bathing in gold just to remind us
I'm writing this song just to remain us that we are all
queens of swords
That we are all queens
Stay gold queen and let it all flow
Stay proud queen let them know
Stay gold queen it's all here for you don't believe in
those
Who think that they know what is best for you
It really suits you you don't doubt queen
Your reason has never been clearer queen
Fly like a bird, stay gold queen
You truly deserve to wear gold
Stay gold let it all flow
Stay proud let them know
Stay gold queen it's all here for you don't believe in
those
Who think that they know
Wear gold
It really suits you don't doubt
Your reason has never been clearer queen
Fly like a bird, stay gold queen
You truly deserve to wear gold
It really suits you don't doubt
Your reason has never been clearer
Fly like a bird, stay gold
You truly deserve to wear gold
It really suits you don't doubt
Your reason has never been clearer
Fly like a bird, stay gold
You truly deserve to wear gold
Wear gold, wear gold, wear gold, wear gold, wear gold
It really suits you don't doubt
Your reason has never been clearer
Fly like a bird, stay gold
You truly deserve to wear gold

Ahha wear gold, hmm hmm wear gold, ahha wear
gold, ahha wear gold
