

Dead To Me "Arrhythmic Palpitations"

In the middle of the night I can do it just right
It seemed like a good idea at the time
And the morning light
Will sting blind
With all the things that I've been running from

Remember how scary it was?
So I drive right in, but the current is swift
My arms won't swim and my legs won't kick
I start sinking Arrhythmic palpitations again
Then the walls come tumbling in
Remember how scary it was?

Don't let all the reasons why you're here
Become the same reasons why you don't stay
I promise you
That I will take my time
I promise you
That I won't waste your time
