I'm not having fun

I don't know why

I've got no reason

Like the sun, it just is

Can someone please explain

Cause I got nothin

Runnin through my brain

We're all in a coma

It's ok that you didn't know

I didn't know either

It'd be so much easier

If someone could explain

I got nothin

Running through my brain

I got nothing

Someone please explain

I got nothin runnin

Through my brain!
