"Abyssal"

Look at the abyss; your heart in the abyss

You scratch your eyes and cut your mouth

Your screaming to the sky an spellbound

Down on your knees and think about death

You'll die and you'll be in the abyss

It is the law

Now it's your turn

The blood comes down upon your eyes

Now you can feel the abyss

Just cry to skies; drink some mortal water

It is the law

Be penitent and calm; your heart in the abyss
