Visit "[Tenders Of Fire](#)" on MotoLyrics.com

Drowned in fire flames; blood & bleed
Disprayer of dust; born in fire flames
Destroyer of your fate; despots of castleland
Born in fire flames; tenders of fire
You can't moving; you chained in the ring
You are sacrificed for the fire flames
In the castleland despots is fire
Fire will burning humanity
Born in way of fire; float in blood into die
I can see fear in your eyes
You will burning in the fire flames
You are sacrificed for the fire flames
In the northland despots is fire
