It was a nice afternoon like all the others  
Some people like to go out with some partners  
I was sitting in my room thinking for my problem  
What am I going to do in my future?  
It started when I was at school some friends didn't like  
it  
My head was in terrible pain I didn't understand it  
I didn't know what's gonna be but I felt it inside me  
So I decided to do something about it

[Pre-chorus]

Doctor said, you have now to calm down  
There's nothing wrong with your brain  
But he's nothing except from a blind  
Doctor said, you have now to calm down  
There's nothing wrong with your brain;  
He's a blind

[Chorus]

Oh, I would like to be a flower  
I could avoid my terrible thought  
Free in this life I could be  
Nothing to care for  
[Backing vocals: I'm alone]

The crisis started to come back more often than before  
I couldn't find words to speak to my "lord"  
My parents started to lock me when they weren't at  
home  
Oh, I hate them like I never did before

[Pre-chorus]

[Chorus]

[Pre-chorus]

So I stay every night at home  
Without joy and partner  
What else can I do myself  
So I stay every night at home  
Without joy and partner  
What else

[Chorus]
