Yeah, you know I look like a woman  
But I cut like a buffalo  
Stand up like a tower, tall  
Then I fall just like a domino

Yes, well, you can give me if you want to, aye  
Do whatever makes you happy  
You should try to take it easy on me  
'Cause I don't know how to take it

You're a prick with a pin woman, yeah

Wake me up when you're broke  
Only if it's broken  
You know I treat you like a joke  
But you can't tell when I'm jokin'

Yeah, you cut a record on my throat, yeah  
But the record's not broken  
Cut a record on my throat, yeah  
But the record's not broken

Is that you chokin', is that you chokin'  
Is that you chokin', aye or are you just jokin'

Yeah, you know I look like a woman  
But I cut like a buffalo

Wake me up when it's broke  
Just like a woman  
Cut a record on my throat  
Then you break me wide open

Is that you jokin' with me  
Hehe, yeah

Take it with me if you have to  
Whatever makes you happy  
But don't take it easy on me  
I'll never take it easy

Yeah, you know I look like a woman

But I cut like a buffalo  
Stand up tall like a tower  
Then I fall like a domino

You're a prick with a pin, woman  
Push it into my skin, girl  
I'm a prick when I sin  
And I know I can't win

Yeah, I look like a woman  
And I cut like a buffalo
