Crushing angst to find a better way  
To live a life without pain  
The portal opens, and the gate cannot be shut

The room is filled with shadows  
And skin begins to burn  
How do you stop this power of the occult?  
Devices of the age when Christians were disgraced  
The blasphemy must end. It must end

Human beings admired the mystical  
Since fallen man was born  
Creating Voids not filled with God  
Creatures of the darkness roamed about  
Inspiring our idolatry  
Civilization under the soulless moon

The stars guide our lives  
Cursed cards, crystal spheres  
Reading palms, spewing savage lies  
Satan lives to rule his realms

The blindness of our godless eyes  
Instilling greed and fueling pride  
Millions killed for simple earth  
Kings betrayed and widows stoned to death

The room is filled with shadows  
And skin begins to burn  
How do you stop the power of the occult?

Did you know that the one you adore  
Is hateful and wretched beyond your control  
I rebuke the power that binds in the name of Christ

The moon awaits the spells and chants, all etched in  
stone  
Your veins crave the presence of the unholy one  
YOU ARE DECEIVED, YOU ARE DECEIVED,  
The CHRIST is your only hope  
YOU ARE DECEIVED, YOU ARE DECEIVED,  
The CHRIST is your only hope

The pain, let it end  
Binding spells will lead your being astray  
The hurt swept away  
You reject the lies  
Searching for souls to tempt,  
Satan lives to rule his realms  
Satan lives to rule his realms  
Satan lives to rule his realms
