I don't need a whole lotta money  
I don't need a big, fine car  
I got everything that  
A man could want  
I got more than I could ask for

I don't have to run around  
I don't have to stay out all night  
'Cause I got a sweet  
A sweet loving woman  
And she knows just how  
To treat me right

My baby, she's all right  
My baby, she's clean out of sight  
Don't you know she's

Some kinda wonderful  
Yes she is  
She's some kinda wonderful  
Now hold it, let me tell you one more thing

That when she holds me in her arms  
She sets my soul on fire  
Oh, when my baby kiss me  
My heart becomes filled with desire

When she wraps her  
Loving arms around me  
Almost drives me out of my mind  
I get funny little feelings inside of me  
Chills run up and down my spine

My baby, she's all right  
My baby's, clean out of sight  
Don't you know she's

She's some kinda wonderful  
Yes, she is  
Some kinda wonderful  
Now hold it, let me tell you one more thing

Tell me, is there anybody  
'S got a sweet little woman like mine  
Got to be somebody  
'S got a sweet little woman like mine

Tell me, now can I get a witness  
C'mon tell us  
(Can I get a witness) hoooo!  
Can I get a witness, one more time fellas  
Come on now  
(Can I get a witness)  
I don't believe me what I'm talking 'bout  
One more time  
(Can I get a witness) hoooo!  
One more time!  
(Can I get a witness)  
One more time now, now hold it!

I wanna talk about my baby  
(Some kinda wonderful)  
Talkin', talkin' 'bout my baby  
(She's some kinda wonderful)  
Times I wanna scream for you  
(Some kinda wonderful)
