Kick off your high heels
Careful where you stand
Kick off your high heels
Careful where you stand

Dont you move too close
I'm a twisted little man

Heaven Help me
I know what I am
Heaven Help me
I know what I am

Wont you lend a hand
to this twisted little man

The sweetest song
Simple and plain
The sweetest song
Simple and plain

Brought me to my knees
in fear and shame

a song of forgiveness
for those who believe
a song of forgiveness
for those who believe

Sweet salvation
I have been decieved

I know that this feeling
is too good to last
I know that this feeling
is too good to last

the music fades
and the moments passed

So kick off your high heels
Careful where you stand

Kick off your high heels
And careful where you stand

Dont you move too close
I'm a twisted little man
Dont you move too close
I'm a twisted little man
