Our lives is coming to end
Come into sense of reality
Truth, is what is in front of you
It is what is in front of our lives
Were frozen and still
Were allied no more

Were frozen and still
Allied no more
In front of our lives
Frozen and still

Were frozen and still
Allied no more
In front of our lives
Frozen and still

Grasp a taste of the pain you sent through me
I'm open
Darkened state of my consciousness
Betray me
Despise me you'll only loose a friend
So come with us
The alliance
The alliance

Frozen-Standing still is time
Allied- what is no more
Faith loss- no faith in us
Frozen-frozen to me

Frozen to us
Frozen to me
Frozen to us
Frozen to me

Grasp a taste of the pain you sent through me
I'm open

Frozen-Standing still is time
Allied- what is no more
Faith loss- no faith in us

Frozen-frozen to me

Frozen to us
Frozen to me
Frozen to us
Frozen to me
