The first few months it felt great (alcohol)  
He was a casual drinker, it was an escape (alcohol)

(alcohol)

Sometimes he couldn't wake up the next day (alcohol)  
Sometimes he walked into work late (alcohol)

(Drugs, sex...)

[Blueprint]

Uh-huh... she never had sex 'til she was 21 (sex)  
She felt like it wasn't right without love (sex)  
In church, they always called it a sin (sex)  
They told her, to stay away from young men (sex)  
She learned love, from the books she would read (sex)  
And from the soap operas she would watch on TV (sex)  
But deep inside, she wanted the same thing (sex)

But they said it wasn't right without a wedding ring  
(sex)  
But her father never practiced what he preached (sex)  
He used to creep into her room when she was sleep  
(sex)  
And touch her in ways you don't touch a kid (sex)  
Made her promise she would never tell what he did  
(sex)  
And as much as she didn't wanna touch him (sex)  
It was the first time she ever felt wanted (sex)  
Until this day, she never quite recovered (sex)  
So when she has sex now it's with a woman!
