Enthralled, abducted and alone  
Stricken by fear, awaiting the deathbells toll  
The rebellious angel - recalled, the story has been  
Told  
Underneath the soil  
Were the ones who'll never will fall  
The superiors of distinguished damnation...  
Damnation  
A pandemonium builds up inside  
Fearless I stand with darkness strong by my side  
A epoch of hallowed lies falls towards a shapeless  
Ground  
A solemn night, to unite with a oncoming destiny  
[Pre-chorus:]  
Tempt by sin  
Spellbound and riveted  
In a burning chaos  
So energetic and so dark  
[Chorus:]  
Words of vengeance, written in blood  
A monstrous sight of the punish  
Hers might, my eyes are paralyzed  
Stare into the eyes of death, the  
Center of chaos  
Newborn flames feed on dreams  
Of possessing the skies  
The time has arrived for the storm to come  
Indeed it's powerful, like fire against heavenly  
Blessings  
Poisonous powers infiltrate the souls of light  
Flames an despair, dance now upon fields of roses  
Feast now upon their life and beauty.  
Your downfall were all written and foretold.  
- I wrote in your book and you made me free  
Blood and fire painted skies  
Death arrived with despair  
To achieve the triumph of mine  
I have found the way to my alliance  
- Souls from below, guide my way through the  
Labyrinth of affliction  
Damnation arrived and gave the new age birth  
The womb of light were crushed by the punishers

Might  
Suffocate the universe and step out of time  
- Spells of hell - Activate!  
[Pre-chorus:]  
Tempt by sin  
Spellbound and riveted  
In a burning chaos  
So energetic and so dark  
[Chorus:]  
Words of vengeance, written in blood  
A monstrous sight of the punish  
Hers might, my eyes are paralyzed  
Stare into the eyes of death, the  
Center of chaos  
Newborn flames feed on dreams  
Of possessing the skies
