As the sands of time slowly pass by me and the  
pictures on my shelf, sit collecting dust.  
This presence that I no longer feel inside my heart  
starts to slowly fade to memory as well.

Well I know two wrongs don't make a right.  
But I can't keep up this dead end fight and now I fade  
into the night.

(Gone Away) In this pain I'm encapsulated.  
(Gone Away) I don't think that I'm gonna make it.  
(Gone Away) Without you I can't breathe.  
(Gone Away) Why did you have to leave?

My existence on pure survival instincts is nothing more  
than a causality.  
And as I stare into my reflection of nothingness,  
nothingness seem to stare back at me.

Well I know two wrongs don't make a right.  
But I can't keep up this dead end fight and now I fade  
into the night.

(Gone Away) In this pain I'm encapsulated.  
(Gone Away) I don't think that I'm gonna make it.  
(Gone Away) Without you I can't breathe.  
(Gone Away) Why did you have to leave?

And after all this time I still don't know.  
Between the truth and lies why did you have to go?

(Gone Away) In this pain I'm encapsulated.  
(Gone Away) I don't think that I'm gonna make it.  
(Gone Away) Without you I can't breathe.  
(Gone Away) Why did you have to leave?
