I can stand the pain of life  
The ticking of the clock  
I can stand the pain of love  
And even stand the shock

But when I hear you say  
That you will go away  
And leave me someday  
I can't stand it

Oh, no (oh no I can't stand it)  
No I can't stand it (oh no I can't stand it)  
I can't stand it (no no I can't stand it)  
No I can't stand it

I can stand up for my rights  
When the going gets tough  
I can stand up in a fight  
When I know I've had enough

But when I hear you say  
That you will go away  
And leave me someday  
I can't stand it

Oh, no (oh no I can't stand it)  
No I can't stand it (oh no I can't stand it)  
I can't stand it (no no I can't stand it)  
No I can't stand it

Oh, no  
No no no  
Oh, no

Standing close to me  
It makes me kinda weak  
And when you hold me tight  
My poor heart skips a beat

But when I hear you say  
That you will go away  
And leave me someday

I can't stand it

Oh, no (no no I can't stand it)  
No I can't stand it (no no I can't stand it)  
I can't stand it (no no I can't stand it)  
No I can't stand it

When you hurt me (I can't stand it)  
When you kiss me (I can't stand it)  
When you squeeze me (I can't stand it)  
Ah, you know you kinda please me (I can't stand it)  
I can't stand it (I can't stand it)  
I can't stand it (No, I can't stand it)  
I can't stand it (No, I can't stand it)  
No, I can't stand it (I can't stand it)  
No no, I can't stand it (No, I can't stand it)  
No no, I can't stand it (I can't stand it)  
No no, I can't stand it (Oh no, I can't stand it)  
No no, I can't stand it (Baby when you love me)  
No no, I can't stand it (No, I can't stand it)
