I need a man to wreck 'im buddy  
A big, strong man to wreck 'im buddy  
And if he's ugly, I don't mind  
He has a dick and I want to grind  
I want to grind, I want to grind, oh  
A wreck, a wreck 'im buddy

My skin is in a terrible state  
Oh lord, good lord, give him the fate  
I want to lie and whine 'till eight  
And if it's big, I do not mind  
I want to grind, I want to grind, oh  
Me a go crash 'im buddy

Getting drunk will do you good  
Use your brush to stiff up your wood  
The stiffer the wood, the longer the stay  
For when it's big, you can push it my way  
Push it my way, and let it stay  
I broke, I broke 'im buddy

I need a man to wreck 'im buddy  
A big, strong man to wreck 'im buddy  
And if he's ugly, I don't mind  
He has a dick and I want to grind  
I want to grind, I want to grind, oh  
I gwaan broke 'im buddy
