A kiss from your lips
On a night like this,
Like an explosion, in my soul.

Sweet love words
Something good to be heard,
Like an explosion, can't control.

And when I kiss (um hmm)
I kiss you baby
You know it's right (uh huh)
Drives me crazy;
When the fuse is lit
And I know this is it
'Cuz my soul starts burnin
And my heart starts yearnin'...
(Chorus)
Like an explosion in my soul;
Like an explosion, can't control.
Just like an explosion, in my soul;
Like an explosion, way outta control.

Your arms around me
Puts me in ecstasy,
Like an explosion, in my soul.
If this feelin' should end
Let's do it again,
Like an explosion, can't control.

And when I kiss, (uh huh) kiss you baby
You know it's right, (yeah heh) drives me crazy.
When the fuse is lit
And I know this is it,
Cuz my soul starts burnin and
My heart starts yearnin'
(Chorus)
Like an explosion, in my soul
Like an explosion, I can't
Control.
Just like an explosion in my soul,
Like an explosion way outta control
