I've been tryin'  
To get to you  
For a long time  
'Cause constantly  
You been on my mind

I was thinkin'  
'Bout a shortcut  
I could take  
But it seems like  
I made a mistake

Well, I was wrong  
Ooh, took too long  
I got caught in the rush hour  
The fellow started to shower  
You with love and affection  
Now you won't look in my direction

On the expressway to your heart  
That expressway, not the best way

At five o'clock  
It's much too crowded  
(Too crowded)  
It was much too crowded  
(Too crowded)  
So crowded  
(Too crowded)  
It was much too crowded  
Oh yeah  
(Ooh, too crowded)  
So, so crowded  
(Ooh, too crowded)

There's too many ahead of me  
They're all tryin'  
Get in front of me  
I thought I could find  
A clear road ahead  
But I found  
Stoptlights instead

I was wrong  
Baby, took too long  
I got caught in the rush hour  
The fellow started to shower  
You with love and affection  
Come on, look in my direction

On the expressway to your heart  
That expressway, not the best way

At five o'clock  
It's much too crowded  
(Too crowded)  
Much too crowded  
(Too crowded)  
So crowded  
(Too crowded)  
No room for me  
Oh, too crowded  
(Too crowded)  
Oh, too crowded
