If you want my love
Help me heal the pain in my eyes

Ooh it's kind of crazy
I've been thinkin' baby
Gotta get you out of my mind
First you say, you want me
Now your memories haunt me
Why don't you just give me a sign?

I thought I had someone that
I could fall in love with
Someone who would treat me right, yeah
So I tried to be so kind
I thought for sure, I'd make you mine
But something's weighin' up on my mind

Why don't you take my hand
And help me understand?
'Cause I can't figure out what you're thinkin' about
Why don't you let me know
I don't wanna be alone?
Goin' out of my mind
Waitin' for the day you say, "You'll be mine"

(If you want my love?)
Why don't you show me then?
(Help me heal the pain in my eyes)
I know you want me now
(If you want my love)
Why don't you tell me, 'cause?
I've had enough of plastic people wastin' my time

Ooh it's kind of crazy
I've been thinkin' baby
Gotta get you out of my mind
First, you say you want me
Now your memories haunt me
Why don't you just give me a sign?

I thought I had someone that
I could really care for

Someone who wouldn't waste my time
Now I find that you lied
You're always out with other guys
Is that you're way of playin' with my mind, yeah

Why don't you take my hand
And help me understand?
'Cause I can't figure out what you're thinkin' about
Why don't you let me know
I don't wanna be alone?
Goin' out of my mind
Waitin' for the day you say, "You'll be mine"

(If you want my love?)
Why don't you show me then?
(Help me heal the pain in my eyes)
I know you want me now
(If you want my love)
Why don't you tell me, 'cause?
I've had enough of plastic people wastin' my time

Ooh it's kind of crazy
I've been thinkin' baby
Gotta get you out of my mind
First, you say, you want me
Now your memories haunt me
Why don't you just give me a sign

Showed you all that I am and I treated you well
Gave you half of my heart but you tore it to hell
Give me someone who loves and who won't cheat on
me
Baby up in my room, that's exactly what you asked of
me baby

Baby if you want my love?
If you want my love?
Oh why don't, why don't you take my hand
And help me understand?
Goin' out of my mind
Waiting for the day you say, "You'll be mine"

Baby if you want my love?
(I've had enough of)
If you want my love?
(I've had enough of)
Baby if you want my love?
(I've had enough of)
If you want my love?
(I've had enough of)

Ooh it's kind of crazy
(I've had enough of)
Gotta get you out of my mind
(I've had enough of)
First, you say you want me
(I've had enough of)
