Play ball play ball ball player  
Play ball I want to play ball ball player  
Jump, jump, fall, get up, go up and get down  
Run, kick, find a hole, thrill and give thanks  
See how the whole city empties out  
On this beautiful afternoon to watch you play

Play ball ball player  
Play ball corcondo

Slum Street Soccer Slum Street Soccer

Soccer Soccer Soccer Soccer...
