Lyrics: Dave, Rick...91 Music: Rick...91

Bestiality committed By their Mother
Pillaged, Raped By their father
Born and Raised for Sexuality
Incest within-is Reality
A Son Not Wanted to carry His Name
Only Daughters-to impound His Shame
Males were killed off at Birth
Females used for what they're worth
flesh Begins to Break
A child I Sodomize And Rape
My Pleasures I Hide
from the world outside

[chorus]

Writhing in Pain Family of Sodom
fucking my Daughters is Really Nice
I Don't even have to Pay A Price
they're to young too: be pregnant this Month
I love to Fuck their Premature cunts

Sickened and Derranged-
Pray to Lunacy
Desecrated Minds-
Obliterated and Diseased
My Knowledge is Strange
My feelings I can not Supress
the Solution is Death
their bodies I Kill and ingest

[chorus]

Writhing in Pain Family of Sodom
