All we have lost, the stars have eaten  
All that dies begins again

Tears you've shed, the earth has gained  
Buried beneath the sky  
So strange, it cannot be explained

In this light, I see your spirit  
Listen, maybe we can hear it  
All we have lost the stars have eaten  
All that dies begins again

Innocent magic  
Is stronger than evil  
Innocent magic [x2]

Innocent magic  
Is stronger than evil  
Innocent magic [x2]

All we have lost, the stars have eaten  
All that dies begins again

Tears have shed, the earth is regained  
Buried beneath the sky  
So strange, it cannot be explained

In this light, I see your spirit  
Listen, maybe we can hear it  
All we have lost the stars have eaten  
All that dies begins again

Innocent magic  
Is stronger than evil  
Innocent magic [x2]

Innocent magic  
Is stronger than evil  
Innocent magic [x2]

Innocent magic

Is stronger than evil  
Innocent magic [x2]

Innocent magic  
Is stronger than evil  
Innocent magic [x2]
