Lyrics: John, Rick 92 Music: Rick 92

Disgustful fluids Drip from Her cunt
germ infestation
cum lapping Slut flaming Vagina Bloody Butthole
Years of fucking Now takes its toll

Spread like a Wishbone Now Make a Wish
Perfumed covered Stench of Rotting fish
like A Wind instrument Drooling And gaping
Slimy Hunk of flesh Suitable for raping

Sifting Drifting eyes contorting skin-Writhe

Voluptuous Slut Now Horrified
Brain Begins to crumble locked total Disillusion
Soon Begin to Rot

to Pleasure And Pain-Your Body's Numb
Life-of filth and Pornographic Scum
Drunk-Drugged-Beat And Bashed
You-Will sell-for Sex is cash

With-A Hanger-You Kill-Your kids
Spreading Aids-Spreading Grids
Bitch-Your Such A fuckin Slut
I'm going to Staple Shut your Cunt
