"Monday, July 16, 1945, 5:30 A.M."

[The time of the first known nuclear bomb explosion on Earth, by the U.S.A. in the New Mexico desert]

Fuel this hate
And you'll never be the same again
Now I'm feeling again and again
Fuel this hate
And you're living on the edge again
Just like we felt back then
Fuel this hate
And you'll never be the same again
When you just don't give a damn
Fuel this hate
And you're living on the edge again
I don't give a damn...

Thrashing
Raging
Fighting
Screaming
Thrashing
Raging
Fighting
Fuel the hate

Fuel this hate
And you'll never be the same again
Now I'm feeling again and again and again
Fuel this hate
And you're living on the edge again
Just like we felt back then
Fuel this hate
And you'll never be the same again
When you just don't give a damn
Fuel this hate
And I'm living on the edge again
I don't give a damn

Thrashing
Raging

Fighting
Screaming

Fuel the hate

Sometimes - suicide - genocide - suicide
I don't give a fuck if I live or die
Sometimes - suicide - genocide - suicide
I don't give a fuck if you live or die
Sometimes - crucified - terrorize - crucified
I don't care about this fucked up life
Sometimes - crucified - terrorize - crucified
I don't care about your fucked up life
Sometimes - suicide - genocide - suicide
I don't give a fuck if I live or die
Sometimes - suicide - genocide - suicide
I don't give a fuck if you live or die
Sometimes - agonize - open arms - agonize
Let the world burn tonight
Sometimes - agonize - sacrifice - agonize
If it's up to me - sacrifice

Fuel this hate
And you'll never be the same again
Just like we felt back then
Fuel this hate
And you're living on the edge again
Happiness, I don't understand
Fuel this hate
And you'll never be the same again
There is no other way
Fuel this hate
And I'm living on the edge again
Let them feel the pain

Um, Dois, Tr?s, Quatro...
Past the point of no return..
Past the point of no return...

"Voce mata porque j? nasceu morto
Sangue morto, amaldi?oado
Voce mata porque ja nasceu morto
Sangue morto, amaldi?oado..."
