Time has arrived, we see all the signs
Revolution now is the time
Revelation soon to arise
Tribulation means it's the time
Send out the soldiers
Their shield is their souls
Revolution coming unfold
Revelation coming untold
The prophet born to the world

Life, I know our life goes way out beyond
I leave you fire to carry on
Salvation coming to those with the most high in their
souls

Here comes the prophet (Time has arrived)
The prophet (Revolution, revelation)
Here comes the prophet (Time has arrived)

Rise above and beyond the sky
You know that we got to fight
The struggle to survive
Fuck you, this is my life

Here comes the prophet (Time has arrived)
The prophet (Revolution, revelation)
Here comes the prophet (Time has arrived)

Um, dois, treis, quatro

The prophet, mais forte do que a morte
The prophet, stronger than it all
The prophet
The prophet, mais forte do que a morte
The prophet, stronger than it all
The prophet
The prophet, mais forte do que a morte
The prophet, stronger than it all
