Annabella
she's away
nothing left to say
but I'm feelin' blue tell me what to do

There's no girl who could take her place
cause I never saw such a beauty face
Annabella
Annabella

Have you seen her
have you seen her
my nice walking sweet talking
Annabella
Have you seen her
have you seen her
my nice walking sweet talking

Future time how it could be fine
without annabell' my poor life's like hell
