Coconuts from Congoville
growing up on a sunny hill
coconuts
coconuts
coconuts

coconuts
coconuts from Congoville !

Jimmy has a barrow

he's selling coconuts !
Coco-coconuts !
Early in the morning
he's plucking coconuts !
And he is shouting much louder
than the others

later on the market place

all the days !

Coconuts from Congoville...

Everybody loves him down
in Congoville ! Coco...
You can see the children
dancing around his barrow
and you'll hear them singing
ev'rybody's swinging
Jimmy's dancing on his place

all the days.
