Yesterday I went down  
to see dealer Mr. Brown

to buy a brand-new car  
and I bought a fire-red  
Shelby-Ford. Yeah  
yeah  
yeah.

Now I will go down to Louisiana.  
I found out I've got a new chance  
to reach a good place in the Louisiana Race.

Louisiana Race  
I see you at this place  
o.k.  
Louisiana Race  
I see you at this place  
o.k.

It will take many hours  
to test my car on our local racing place

to get the speed record with my fire  
red Shelby-Ford.
