Put you in a cuffin nigga,
Fifty kay upon your hair I'm in my goons, awful nigga,
I'm getting money so guess that's why they hating

Just the other day I thought I saw an alien...
So much money in my face I'm going... man

He's moving too slow, so I can get it faster,
I made a mill start selling dough so I'm hustling

You niggas playing games I'm taking this trips,
I do anything I want 'cause I got a chain,
Started off a new year with a couple mill,
Light a blunt, seat back in a nigga chill
I'm going hard in the city for a dollar bill,
I gotta get it every day many shit is real,
16 now is... that's for greatness
They-they never want to do me no favors,
So, so nigga shut out to my haters,
As what the god the... I'm getting paper,
