[Verse 1:]

Sittin In My Mansion With The Cushion in Here,
West side Atlanta it's gettin hot down here,
Everywhere I go people takin my picture [?],
Girls Sayin I'm The Sexiest nigga Rappin,
I just think she sayin that, cause she love my swag

I'm in love with a girl whose last name is carrie,
Carrie say my ice chain make her vision blurry,
I gotta be a pussy beast,
The way she bust it open,
I fuck dis girl so good, nigga I deserve a trophy,
I bit her from the front, All night like she told me,
I hit it from the back, and then I watched it in slow
motion,

[Chorus:]

I'm doin the best I can, all my fans put your hands up...
{Yeah Like dat}
And Smoke it up, And feel me,
