Oh yeah

Beat it up, beat it up

I got a big dick what you know about that
Shawty turn around let me hit it from the back
She gonna s*ck me up, she gonna s*ck me this
She a freaky bitch, she a freaky snitch
She know what's up, she know the scope
Got a big dick bitch what you know about the hoe
Tell the bitch f*ck her all night on the floor
I'ma hit it form the back I'ma fuck anywhere I hole
I'm a rich young skinny nasty nigga
If you ain't swallow then kiss I don't wanna have a shit
I'ma f*ck you good, I'ma f*ck you right
F*ck you all day long, f*ck you all night
Have you ever got this long hard pipe

Beat it up, beat it up
Beat it up, beat it up
Beat it up, I'ma beat it up
Beat it up, beat it up
Beat it up, beat it up
Beat it up, beat it up
Beat it up, I'ma beat it up

Girl I got a big deal what you know about that
Turn around bitch let me f*ck you from the back
Long ass pipe put the shit up in your pussy
With that ass pussy slap the ass hoe
S*ck a nigga dick from the foe
S*ck a nigga dick on the floor
S*ck a nigga dick on the low
I'm a hood ass nigga you know how the shit goes
South see bitch what's hangin, what's good,
What's pipin that rush really high
I didn't took a couple of shots
Now niggas ready to get as cop
A mad that nigga,
I'ma f*ck this bitch what you know about this
Long ass did you're gonna learn today

But as long as dick

Beat it up, beat it up
Beat it up, I'ma beat it up
Beat it up, beat it up
Beat it up, I'ma beat it up
I'ma f*ck a girl, I'ma f*ck her friends
You already know I'm turning in
I'ma f*ck a girl, I'ma f*ck her friends
You already know I'm turning in

Young ass nigga what a big ass dick
Pull up in the limbo squirt squirt squirt bitch
Young gang nigga putting in work
Tell a bitch come and s*ck a nigga for a T-shirt
Bitch tryin to f*ck
Put in work, make a bitch neck
Make a bitch call my all over this dick
You a nasty ass bitch come and s*ck this shit
Let me hit it on the floor
F*ck all night hit the bitch on the floor
Eat the p**sy on the floor, yeah I really know
I'm a young ass nigga just how the shit go
Let a nigga come fuck, gonna s*ck me up
Hit the bitch up like a f*cking porno star
SOD gang pull up in the fast car
Tell a bitch s*ck my dick in a car

Beat it up, beat it up
Beat it up, I'ma beat it up
Beat it up, beat it up
Beat it up, girl I'ma beat it up
Beat it up, beat it up
Beat it up, girl I'ma beat it up
Beat it up, beat it up
Beat it up, girl, I'ma beat it up

She say she never did nothing like this
Tell the bitch come and s*ck my dick
I'm a young ass nigga got a brand new rip
Pull up with thirty round in the clip
A hood ass nigga with a pistol on my left
Tell the bitch come and slap it on her ass
Tell a bitch she need more testes on her ass
She need a test on her wrist,
She need to touch it with his...
That bitch ring on, she bang s*ckin bitch she's west
That bitch been gone, that bitch s*ck a dick she west 13
And that's a shame, but I don't really give a f*ck
I'm blesses game
Tell me let it hit her from the front

Hit it from the front and on the back lane

Beat it up all my niggas gonna beat it up

Beat it up, god Andre I'ma beat it up

Beat it up, tell that girl I'ma beat it up

Tell the shawty I'ma beat it up

Tell the shawty I'ma beat it up
