"Blowin' Me Kisses"

(feat. Bei Maejor)

Yeeh, I said,
This one for your stereo,
Turn me up, turn me up, turn me up, turn it,
Yeeh yeeh,
I say say, this one for your stereo,
Turn me up, turn me up, turn me up, turn it

Sexy ladies, this right here is yo song,
Hop inside yo car, and turn yo radio on,
Shout out sexy ladies,
This right here is yo song,
Hop inside yo car, and turn yo radio on

She blowin' me kisses, she blowin' me kisses,
I'm staring and reminiscing, thinking, dreaming,
She blowin' me kisses, she blowin' me kisses,
I'm staring and reminiscing, thinking, dreaming,
About us

I can take you places, places,
You have never been,
Carribean, feet in the sand,
I, I can take you around the world,
And you can be my girl,
And I can buy you pearls,
And you can tell your girlfriends,
How I put it down,
And its like a movie everytime I come around,
When I'm in yo city, man, I shove the town down,
Tell the whole world, that I'm hot right now

Shout out sexy ladies,
This right here is yo song,
Hop inside yo car, and turn yo radio on
Shout out sexy ladies,
This right here is yo song,
Hop inside yo car, and turn yo radio on

She blowin' me kisses, she blowin' me kisses,

I'm staring and reminiscing, thinking, dreaming,
She blowin' me kisses, she blowin' me kisses,
I'm staring and reminiscing, thinking, dreaming,
About us

Yeah, she like me,
I like her, yeah,
Knew knew I woulda wifed her,
Who woulda thought that,
She woulda been like,
The other half of me, what a sight to see,
Me and her traveling, all across the world,
I can be her man, she can be my girl,
Turn her radio on, she kissing me thru the phone,
When I say that its on, when I show that its on,

Shout out sexy ladies,
This right here is yo song,
Hop inside yo car, and turn yo radio on
Shout out sexy ladies,
This right here is yo song,
Hop inside yo car, and turn yo radio on

She blowin' me kisses, she blowin' me kisses,
I'm staring and reminiscing, thinking, dreaming,
She blowin' me kisses, she blowin' me kisses,
I'm staring and reminiscing, thinking, dreaming,
About us
