Soulja Boy

My life feel like I'm starin in a soap opera  
Niggaz say beezy dats a dope watch bruh  
Sunday night count creek red lobster  
Soulja boy tellem  
Flo fantastic my money bounce call it cash elastic  
A monster, a beast, a creature, a vulture  
I need more weed speed up da agriculture  
I am da insulter before we make dis deal let me consult  
consultor  
Uuummm listen to da drum go bum  
Most of rappers spit bubble gum yum  
My watch dumb wat have I become  
Become I am da reason  
Dis a test not da real song it looks good but feel so  
wrong  
Da paparazzo caught me takin a shit  
Got damn paparazzo how'd u get that pic  
I heard u couldn't go verse for verse with a real spitter  
And I heard he couldn't cut a check for the real dealer  
I'm like a nerd a genius tell ya girlfriend to get off my  
penis  
Aah sooulja boy tell em extrodinair  
I'm in da kush smoke and blow airy everywhere  
Damn  
Now dis how it is  
I'm so fly I can take a shit  
And it will mel like chocolate

Fuck dat put my cd on da shelf

I'm like fuck soulja boy dat nigga is lame

But damn dat nigga got so much fuckin game  
Can I get some I don't think so  
Soulja boy tell em

Can she give me head on her tippy toes  
Ha ha I'm fool with it ok ok  
Soulja boy tellem wat I say wrong

My album went platinum but I linked every song  
Fuck dat I'm allergic to u haters  
I'm in my zone I'm hot like da elivator  
I step out da whip and hoes are starrin  
But me and my click I'm really not carin  
I don't give a fuck let's play truth or dare  
And I will play put my dick in your ear  
So u can fuck wat ya heard I strike another verb  
And everytime I spit I speak a lot of words  
Soulja boy tell em flow sound absurd  
Fuck dat shit put my dick in ya ear  
Ok ok  
Man soulja boy spit da verse then took the beat off  
I told ya bitch to shut the fuck and be off  
I told ya main girl ride my dick till it fall off  
Nah I told her ride till it go soft  
When I give it tell her put it in her mouth I'm
