Stacks on deck

S dot Beezy

Ching ching ching ching ching

Been down the block, going crazy for my goddamn  
money

Goddamn money, for my goddamn..

Been down the block, going crazy for my goddamn  
money

For goddamn money, for my goddamn money money  
money

For my goddamn..

Been down the block, going crazy for my goddamn  
money money money

For my goddamn..

Been down the block, going crazy for my goddamn  
money

Been on the block and I got a hundred grand

In the kitchen whippin' up a hundred yams

Strip club, I done bust a hundred bands

Stacks on deck, hell yea we in demand

Going ham, streets going 8 shit

Pull up in that white thing, they goin' crazy

I'm talkin' 20-13, them places is crazy

My young niggas bullin' in that kush and they paid up

Everything paid, everything cashed

I need 25, so we whip the mess

So we with them girls, brought 'em in by Benz

Put them in the van and crack them in the back

It's time to party so we callin' out the freaks

Bein' down the block every day of the week

All music in the streets, all strapped in my chest

That it go out of flex

Flap a date, new finesse

Been down the block, going crazy for my goddamn  
money

Goddamn money, for my goddamn..

Been down the block, going crazy for my goddamn

money  
For goddamn money, for my goddamn money money  
money  
For my goddamn..  
Been down the block, going crazy for my goddamn  
money money money  
For my goddamn..  
Been down the block, going crazy for my goddamn  
money

Been down the block but it cashin'  
Pull up to my partner but he talkin' 'bout where it  
gassin'  
Pull up in the Porsche and we had the dizzy dash that  
Call the spaceship and then nigga I'mma crash that  
Rollin' up a bat of that kush and then I ash that  
Lookin' at my jury hieroglyphic, it's all abstract  
Young Dre, man I go hard, pull up candy paint  
Yellow diamonds, shorty VIP  
Now we anything  
20 bottles later I'm on the pool table  
Got like 25 3's and they ready and they able  
I'm chilling and I'm wasted  
Fuck nothing faded  
Young ass nigga cashin' out in Las Vegas  
It's whatever, tell him it's whatever  
I got 55 bands, we can throw this shit whenever  
Pull up and we flexin', yea yea we flexin'  
But I've been down the block in the Maserati flex

Been down the block, going crazy for my goddamn  
money  
Goddamn money, for my goddamn..  
Been down the block, going crazy for my goddamn  
money  
For goddamn money, for my goddamn money money  
money  
For my goddamn..  
Been down the block, going crazy for my goddamn  
money money money  
For my goddamn..  
Been down the block, going crazy for my goddamn  
money

Stacks on deck, bitch

Where that motherfuckin' money?  
Been down the block, going crazy for my goddamn..
